We have 2 formulas of wax beads to choose from

•Luxury Formula

Specifically formulated for General All Over Use(Face/Arms/Legs/Chest/Back/Bikini)

It is designed for all over use. Tidy up brows to bikini line in one quick waxing session with our versatile all in 1 formula.

Melts quickly, It comes off one piece and doesn't crack or crumble, highly flexible for easy removal

•General Formula

It is formulated for Coarse/thin Hair (Arms/Legs normal Skin)

It pulls off cleanly as a traditional hot film hard wax

Wax Heater

•PG-001 (500ML)
